Connor,

Both the Town of Seaford and Sussex County Engineering Department have been able to dig up the files you requested. I am sending the Peninsula Plating information in this email and Procino in another(s). Please let me know if this is what you needed or need any additional information.

Rick,

I would like to let you know that the letter requesting governor's concurrence for the NPL listing of Blades Groundwater has been signed by the RA and mailed to the Governor's office today. If there is anything you need from me please let me know.

Thank you.
